This is my classroom.

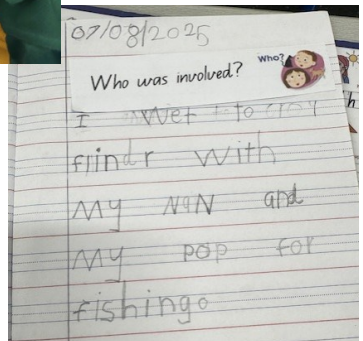

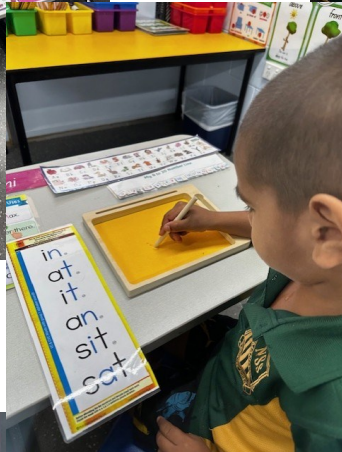

At school we
learn in lots
of different
ways.

**We learn to work together and
help each other.**

**We learn how to read, write
and create sentences.**

**We have great supportive
teachers and teacher assistants.**

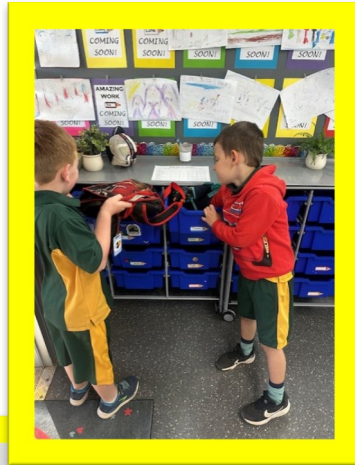

**They help us learn in a variety of
different ways that support our needs.**

Places I
may sit to
learn
include
my desk,
sit spot or
the mat.

**When I arrive at school I
put my school bag away.**

**I put my lunchbox and
water bottle in the fridge.**

This is the Prep toilet.

I go to the toilet and wash my hands.

I sit to eat my morning tea
and lunch.

I put my rubbish
in the bin.

Healthy choices will help keep me
focused and ready for learning.

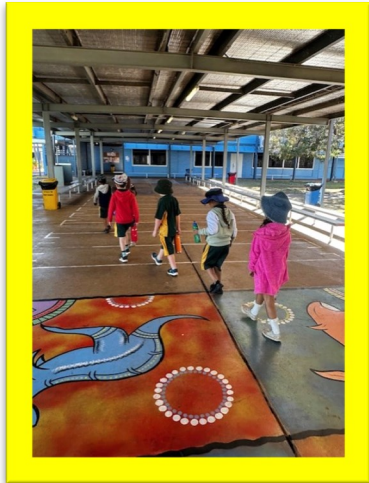

**I put my hat on my head
whenever I go outside.**

**I can play on the
playground at lunch times.**

**I walk with my class in one line
when we leave our classroom.**

**I sit with my class during our whole school
parade on Monday mornings at 8.30am.**

This is the office.

If I arrive late or feel unwell the ladies in the office will help me.
